Warranty

Seller makes no warranty of any kind, expressed or implied, except that the goods sold under this agreement shall be of the standard quality of the seller, and buyer assumes all risk and liability resulting from the use of the goods, whether used solely or in combination with other goods. Seller neither assumes nor authorizes any person to assume for seller any other liability in conjunction with the sale or use of the goods sold, and there is no oral agreement or warranty collateral to or affection this transaction.

Warning

The information contained in this publication does not constitute any professional opinion or judgment and should not be used as a substitute for competent professional determinations. Each construction project is unique and the appropriate use of this product is the responsibility of the engineers, architects, and other professionals who are familiar with the specific requirements of the project. Any and all warranty is void if for any reason any or all of the following are used:

1. Deicing chemicals such as, but not limited to, salt and ice melt.
2. Sealing chemicals such as, but not limited to, silicone or other chemicals that are deleterious to concrete or membrane type sealers.
3. Alkaline soil installations.
4. Severe freeze/thaw conditions; poor drainage.
5. Placement on uneven soils or base.
